**AZGFD Tag Transfer
Program Approved
Organization**

Thank you for taking the time to donate your tag to **Outdoor Experience 4 All** and **Wounded Warrior Outdoors**. We will do our best to find a child or Disabled Veteran for the tag. We do not notify the donor with the participant's information. We do not include the donor on our hunts. We will not change our process. Our insurance coverage is very difficult to acquire and we must and will follow their rules. No strings attached. Your understanding in helping protect their identity is appreciated. If you have any questions, please feel free to contact us by email or by phone.
